

LGBT+ Haïti Solidarity fundraising campaign

\$100 000 benefiting SEROvie

Montreal the 4 March 2010 - Maison Plein Cœur, Fréquence VIH and the Conseil québécois des gais et lesbiennes (CQGL), in collaboration with OXFAM-Québec invites you to the launch of our fundraising campaign for LGBT+ Haïti Solidarity, to benefit SEROvie, the 18th of March 2010 as of 6pm at Sky Complex, 1474, Ste-Catherine Street West, 2nd Floor, Montreal.

The funds raised throughout this campaign will alleviate the most urgent purchases for SEROvie, such as, tents, cots, sheets, pillows, clothes, hygiene products and food for some 130 people and their families who use the organisation's services in Port-au-Prince and Jacmel.

During the earthquake, several staff members were killed in the collapse of the offices of the organization. Therefore we believe it is important to mobilize ourselves to offer Haitians the services that they so desperately need.

During the campaign, any contribution of \$ 100 (donor Bronze), \$ 250 (donor Silver), \$ 500 (donor Gold) or \$ 1000 (Platinum Donor), your name or your organization or business will be announced in an article for this purpose in magazines 2B and FUGUES.

SEROvie is a Haitian community organization providing free services for medical support, prevention of HIV/aids and STIs for people of sexual minorities and their families.

We therefore expect your presence during the evening. The volunteers of Oxfam-Québec will be happy to receive your donations at the entrance. For those who cannot be among us you can also send a cheque to Oxfam-Québec, the cheque has to be made out to Oxfam-Québec, with the note LGBT+ Haïti Solidarity, to the attention of Marie-Alberte Soudan, 1259, rue Berri, Montréal (Québec) H2L 4C7

For more information, do not hesitate to contact.
